

Just because I'm Puerto Rican,
Doesn't mean I don't know how to speak the language.
Doesn't mean I can't write.
And doesn't mean I don't have feelings.

Just because I'm from Chester,
Doesn't mean I like it.
Doesn't mean I won't live in it.
And doesn't mean I have to say good stuff about it.

Just because I'm respectful,
Doesn't mean I don't play a lot.
Doesn't mean I always pay attention.
And doesn't mean I always focus.

Why do people say stuff about me?
Do they even know me?
When will people try to know me?
